1 A "\*" following a place name indicates that the place is coterminous with a Census Designated Place (Census Tract) and also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A "+" following a VT code indicates an actual voting district. Its absence indicates that the VT code is a pseudo voting district or no information is available to the user.

3 A "\*" following a block number indicates that the block number is repeated elsewhere in the block.

All legal boundaries and names are as of January 1, 2000.  
The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
